- Albert Einstein was a famous scientist - he was born in Ulm, in the Kingdom of Württemberg in Germany on 14th March 1879. As an adult, he moved to America in 1933 when Adolf Hitler took over Germany.

Vocabulary

Refugee	Someone who leaves the country they live in, to go and live in another country.
Refugee status	This is awarded to someone that the Home Office recognises as a refugee as described in the Refugee Convention. A person given refugee status is normally granted leave to remain in the UK for 5 years, and at the end of that time, they can apply for permanent permission to stay.
Refugee council	The Refugee Council is one of the leading charities in the UK, working directly with refugees and supporting them to rebuild their lives.
Asylum	The protection granted by a state to someone who has left their home country as a political refugee
Save the Children	Save the Children believes every child deserves a future. In the UK and around the world, they give children a healthy start in life, the opportunity to learn and protection from harm. They do whatever it takes for children - every day and in times of crisis - transforming their lives and the future we all share.

Key Dates

- 1879 - Albert Einstein was born
