- Consider types of technology used in school and out of school.

What technology is used out of school?

- Record examples of where technology is used outside school.

Key Questions

- **What is technology?**
Technology is the use of knowledge to invent new devices or tools. Throughout history, technology has made people's lives easier.
- **How does technology make our lives easier?**
Technology has made life easier in many areas. It is now much easier to communicate around the world. Messages that used to take weeks to reach the sender can now be sent and received in seconds. We are surrounded by technology from your toys, to machines in your house, to systems that control traffic and planes.
